My dear Mirza sahib,

After all I have recieved the drawings from Sardar Ram Singh's sons . I think these are old ones. Any how so much the better. I do not think you want a man from here now as these contain all what you want including carving & on the pillars brackets and the freeze. Please let me know if you want anything else. In case you want to adopt this kindly get copies made and return these. There is no hurry you can return these when done with I have recieved your letter and my cheque which you have returned. Greatly disappointed. I may have t to file an appeal against you. We shall settle it face to face. The matter is not closed. Did you ever show my letter to H.H. ?

With best wishes

Ever yours
